Assignment-2

15/09/22

Deadline: 24/09/22

## 1 Questions

**Q1.** Define the notion of language and dialect.

**Q2.** Take a standard language of your region and a corresponding variety which is considered its dialect. Compare the vocabulary and grammar and see how much they differ. Take 100 sentences from the standard language, translate it into the variety and highlight the variation. Discuss the linguistic and social relation between the two.
